¹ The Auburn Recreation and Park District withdrew interest in 20 acres previously recommended for donation.

² The U.S. Forest Service withdrew interest in lands previously recommended for donation.

³ Shasta County withdrew interest in 5 acres previously recommended for donation.

⁴ Due to a requirement of the Land Conservation Commitment pertaining to the Federal Power Act (FPA), lands previously recommended for donation to the U.S. Forest Service or the Bureau of Land Management will not be donated to these agencies. (BLM withdrew from receiving a donation of lands at the Oroville planning unit even though there are no FPA implications.)

⁵ Completion of boundary survey resulted in less acres being transferred.

⁶ The board rescinded its previous fee title recommendation for Plumas County.
