COMMUNITY BRIEFS

Stewardship Council Meeting Set For November 1

Ukiah Daily Journal Staff

Article Last Updated: 10/20/2006 08:50:16 AM PDT

It's not often that you get the chance to help shape the future of a community. It's not often that you get the chance to have input into how to protect and enhance thousands of acres of California watershed land. Through the work of the Stewardship Council, that opportunity is available to you, and they hope that you won't miss the chance to make a difference in your community.

Over the next few months the Stewardship Council staff and board members will host community meetings across California. Join them, tell them what you think, and provide your perspective on what makes sense for your community. Their goal is to understand the unique needs and interests of each community, they want to be sure that everyone who would like to be engaged in this process has the opportunity to provide their input before they finalize our Land Conservation Plan.

Join the Stewardship Council in this important effort to conserve and protect watershed lands and uses for California.

Attend the community meeting on Wednesday, Nov. 1, from 6 to 8 p.m., at the Ukiah Senior Center, Bartlett Hall, 499 Leslie Street in Ukiah. You can also write the Stewardship Council with suggestions at 303 Vintage Park Drive, Suite 150, Foster City, Ca. 94404.
