STEWARDSHIP COUNCIL ANNOUNCES FOUR PUBLIC PLANNING WORKSHOPS

WHAT: The Pacific Forest and Watershed Lands Stewardship Council is pleased to announce upcoming public workshops for its four pilot project sites. The primary purpose of these workshops is to solicit input from the public on the development of the Land Conservation and Conveyance Plans (LCCP) to preserve and enhance the Watershed Lands of these pilot sites. Members of the public and all interested stakeholders are invited to attend and participate.

“These meetings are part of the Stewardship Council’s ongoing efforts to provide an opportunity for community members and interested stakeholders to share their input with us.” said Jayne Battey, Executive Director of the Stewardship Council.

Please contact the regional land conservation manager list below for more information regarding the pilot project. Additional meeting information, including a meeting agenda will be available on the website: www.stewardshipcouncil.org.

About the Stewardship Council

The Stewardship Council is a collaborative land conservation and youth investment foundation. Its mandate includes evaluating and providing recommendations for the conservation of over 140,000 acres of watershed lands (currently owned by PG&E) spread across 22 counties, as well as developing and implementing community-based park and environmental education opportunities for underserved youth. For more information on the Stewardship Council, please visit: www.stewardshipcouncil.org.
